**Fourth Dimension Solutions (FDS) Limited enter into a System Integrator (SI) Alliance Agreement with Dassault Systèmes**

Fourth Dimension Solutions has announced it has partnered with Dassault Systèmes (*the 3DEXPERIENCE Company, world leader in 3D design software, 3D Digital Mock Up and Product Lifecycle Management (PLM) solutions*) to provide System Integration services for Dassault Systèmes' portfolio of applications and industry solution experiences based on the 3DEXPERIENCE platform in the Indian Sub-Continent Market. The agreement covers both SI services and as well product/license sale as FDS plans to increase its revenue from implementation services.

Amalendu Mukherjee, Managing Director, FDS Ltd., said, "This is a significant landmark for FDS both locally and globally as our presence and capabilities in an evolving DPMS industry will be enhanced by the 3DEXPERIENCE platform from Dassault Systèmes. FDS' holistic approach offers organizations with future ready solutions that provide competitive advantage and market differentiation."

Samson Khaou, Managing Director, India, Dassault Systèmes said, "We are delighted to be associated with FDS, an organization that has the scale, experience and ability to deliver SI projects in Government and emerging sectors involving our 3DEXPERIENCE platform. These sectors are challenging and customers are increasingly looking for new multilayer ways to optimize their technology, business processes and infrastructure investments."
